

Mustang Smoked Light Covers (05-09) - Installation Instructions

The below installation instructions work for the following products:

- **Mustang Smoked Headlight Covers (05-09)**
- **Mustang Smoked Taillight Covers (05-09)**

Please read through the instructions carefully before starting this project. Take the time to get all the materials together as well as all the safety equipment.

Headlight Covers Install:

1. Push outer clip of light cover in between light and body of vehicle.

2. Push upper clip of light cover over the top of light housing.

Tail Light Cover Install:

1. Using the supplied alcohol prep pads, thoroughly clean surface where adhesive from light cover will mate with vehicle.

2. Peel backing film from adhesive on rear of light cover.

3. Push lower clip of light cover in between rear bumper cover and light on vehicle.

4. Carefully align cover over light so that it covers entire lens.

5. When cover is properly aligned and in its final position, push down on adhesive to ensure a tight fit.

Installation instructions provided by Manufacturer.
