

P/N S197-560 Made in USA

2005-09 Tru-Billet Power Plug Installation Instructions

Thank you for your purchase of SilverHorse Racing products. Please read all directions before beginning the installation. A factory shop manual should be available for reference during installation. If, after reading these and any accompanying directions, you feel that you may not be able to complete the installation safely and properly, please seek out professional installation by certified technicians. Please read and understand our product purchase agreement (included on yellow sheet) prior to starting installation. Vehicle should be off with key removed from ignition and in park with parking brake set prior to beginning installation.

Tools Needed:

None

1. Grasp original power outlet plug cover and remove.
2. Remove new Tru-Billet Power Outlet Plug from packaging. A small amount of lubricant may be placed on the o-rings if desired to ease installation / removal.
3. Insert new Power Outlet Plug into receptacle and align engraving for desired view.
4. Installation is complete!!! Part can be removed for normal cleaning, or if power outlet is needed for use. Enjoy your newest made in the USA upgrade for your vehicle!
