

Bama Performance provides FREE tunes for life on our SCT custom tuners & chips and Diablosport Trinity custom tuner. Any time you make a new modification on your Mustang that requires a re-tune, Bama tune technicians will write you a new one for free - just contact us at: **1-888-226-9764!**

How to Get Free Tunes For Life:

1. Purchase a Custom SCT SF3/X3, Livewire, TSX or Diablosport Trinity Tuner
2. Tunes are written specifically for your vehicle by the Bama Custom Tuning division
3. Your tuning info will be kept on file
4. Your new tunes will be emailed straight to your home computer
5. When you order a new performance part, contact us to order new free tunes
6. Repeat - For Free For Life!

Offer valid for customers who originally purchased an SCT or Diablosport Trinity custom tuner from AmericanMuscle.com. BamaChips customers who purchased an SCT or Diablosport tuner, or custom tune files, are also enrolled in the Free Tunes for Life program for continued support by Bama Custom Tuning. Please contact us when you would like to order new free tunes, at (888)226-9764.

Only the original car tuned for device is eligible for the Free Tunes for Life program. A new car will require you to buy back in to the Free Tunes for Life program. Please contact us at (888)226-9764 for more information.
