

## Chrome Mustang GT Logo Surrounds (05-10) - Installation Instructions

The below installation instructions work for the following products:

- **Chrome Mustang GT Logo Surrounds (05-10)**

Please read through the instructions carefully before starting this project. Take the time to get all the materials together as well as all the safety equipment.

### Installation:

1. Use the included alcohol swab to clean the surface where the trim will adhere to the surface of the car.

2. Completely remove all of the 3M bonding tape from the back of the Logo Surround.

3. After the tape backing is removed, carefully line up the Logo Surround

4. Firmly press down on the surround to adhere it to the car.

5. Repeat steps 1-4 on the other side of the car. Enjoy your new Chrome Mustang GT Logo Surrounds!
