Stainless Power \$100 Rebate Form

Stainless Works is excited to announce a manufacturer rebate incentive on our Stainless Power product line. Save an extra \$100 on our already aggressive price on our Stainless Power header systems. On top of the rebate, we've built out our product inventory to allow us to offer Stainless Power shipments within 24 hours of the order being placed. Not only are you saving some cash, but you're also gonna have an excuse to be in the garage this weekend instead of taking your better half to dinner.

To receive a rebate, you must purchase a new Stainless Power header system* between July 15, 2016 to August 31, 2016, complete the redemption form with original proof of purchase invoice and mail it by October 31, 2016. While supplies last.
